

DRAMA

Drama enables all students to practically express ideas, work in a range of groups, perform to an audience and gain confidence. The curriculum is designed not only to unlock these social skills but also give students an interesting, exciting education in Drama enabling them to learn a range of Drama skills, explore a variety of Genres and perform using different Drama techniques & tools.

PERFORM THE NIGHT AWAY

Rehearsals are underway for our popular whole school talent show **PERFORM THE NIGHT AWAY** – an entertaining evening in which we celebrate the talent of our students. As with each year, we enjoy promoting a range of talent and this year we have a range of live music, singing, dancing and acting. The date of this year's show is yet to be confirmed and as soon as it is, tickets will go on sale shortly after. Please come along to this great evening and support the students with their hard work.

FILM CLUB

Film club gives students the opportunity to watch, discuss and review films. All members receive access to our Film Club website, where they can choose films they'd like to see next, and write reviews of the film we have just watched. This will help to improve their writing skills, as well as being enjoyable!

Film Club is open to all year groups and runs every Monday lunchtime in Upper School (EN3) and every Friday lunchtime in Lower School (L24). Students can bring their lunch to eat at Film Club: they should either bring a packed lunch, or collect a cold lunch to bring with them.
