

# GREENHOUSE

Greenhouse aims to develop social, thinking, emotional and physical skills for young people in London's communities through high quality, intensive sports programmes delivered by inspirational coaches.

At Raine's Foundation School we have two highly experienced Table Tennis coaches in Stephen Gertsen and Maria Ingles who are based full time at the School. Table Tennis sessions are provided everyday afterschool and lunchtime, along with Breakfast clubs and a community evening every Thursday.

Our pupils also benefit from a mentoring scheme through the Charity, which is designed to enhance behaviour throughout the School. Pupil's then rewarded with one to one coaching/mentoring sessions once a week.

Our Table Tennis teams compete on weekends across the country, and have experienced rewards trips to Wales, Plymouth and Norwich to date.

For more information about our programme please contact
