

Raine's Foundation School Scholarship Programme 2018-19

Achieving Excellence by Unlocking Potential

Raine's Foundation Scholarship Programme offers pupils the opportunity to engage in a personalised programme. This will be for the duration of a scholar's time at the school and subject to excellent progress and commitment to their scholarship programme. The scholarship programme offers either Modern Foreign Languages or Sport Studies as specialisms. We envisage that each student will be granted a personalised programme to the value of £1,000.

The Scholarship Programme will offer students the opportunity to experience 1-1 specialist mentoring, specialist academic tuition, residential trips, support from The Brilliant Club, accreditation and certification in additional qualifications.

"These valuable scholarships are designed to recognise the talent and ability our students possess and provide opportunities for them to develop these abilities through their time at Raine's Foundation School."

Rob Hullett, Interim Head Teacher
