Headteacher: Rob Hullett BSc NPQH

3 November 2017

Dear Parents and Carers,

I am delighted to have been appointed the permanent Headteacher for Raine's Foundation School. The school is rich in history and the students bring a real diversity of cultures and experiences to make it a wonderful place to work and learn.

As many of you will know we have made a number of positive changes over the past 15 months and this pace of change will continue to ensure the school becomes an "Outstanding School" and the school of choice in our community. As it says in our vision document we aim to provide a caring school community based on morals and values. In addition we will ensure we provide a high quality Teaching and Learning to enable all children to maximise their potential.

A few days after my confirmation of my appointment as Headteacher we were visited by OFSTED. This was expected as it is 2 years since the last full Inspection. The report will be published over the next month. OFSTED did acknowledge the significant improvements that have taken place. They were particularly praising of our students on how welcoming they are, the very good behaviour in lessons and feedback from students was, they feel safe and happy at Raine's Foundation School. This is very pleasing to hear.

We know have further plans over the next few years to continue progress and ensure we are even better.

Thank you to those parents who completed the online survey of aspects of school life. The responses are very positive with 100 % of parents saying they would recommend this school to another parent. If you would like to have your say please follow this link: www.parentview.ofsted.gov.uk.

Other school news and updates are as follows:

Tuesday 7 th November	KS5 Parents Evening	5.00- 7.00 pm
