Dear Parents/ Guardians

Year 11 Announcements: Pixl Apps & Year 11 Prom

I am writing to make you aware of two very important initiatives that we have launched in Year 11 to further support your child to fulfil their potential in their GCSE's.

PIXL Revision Apps

The first of these are four exciting new apps that can be accessed on a computer, a smartphone or tablet/iPad, which your son/daughter can use over the next few months to assist them with their GCSE revision. The four apps; focused on GCSE maths, GCSE English Literature, GCSE History and GCSE Geography have been written specifically to ensure they support Year 11 students in preparing for the Summer 2018 exams.

As I am sure you are aware, carrying out revision “little and often” is far more effective than “cramming” for an exam at the last minute. As many young people use mobile devices more than ever before, we have subscribed to this service so that your son/daughter can access it without any cost to you or them.

When starting with the apps, you will see the following screen on the maths or a similar on the literature app.

Passport to Prom

The Year 11 Prom will be taking place on Thursday 28th June 2018, this is always a fantastic event which is well attended and a celebration of the successes that have taken place in the year group. More details regarding the venue, cost and time of the Year 11 prom will be published soon.

Interim Headteacher: Rob Hullett BSc NPQH

This year students must earn a Passport to Prom. To be issued with a passport to prom students must earn **100 prom points** before May half term. If students earn 150 points they will get a **50% reduction** on the cost of the prom ticket. If students achieve 200 prom points they will be given a **FREE prom ticket**.

Your son/daughter can earn prom points by doing the following things:

Activity	Number of points
Attend a revision session	1 point
100% attendance in a week	1 point
Top 5 in class on a PIXL App	2 points
Independently complete a practice exam paper	2 points
HOL Recognition for reaching target grade	3 points

It is very important that Year 11 students are now revising each night for a minimum of 1 1/2 hours. It is hoped that these two initiatives will motivate Year 11 students to revise effectively and often.

Yours Sincerely,

Mr G Jenkins
Head of Learning, Years 10/11
