March 2018

Dear Parents and Students,

I would like to remind all parents and students of the rule regarding the use of mobile phones in school. At Raine's our policy is that phones are allowed to be used outside of school in the playground but are not allowed inside the building.

Our policy states that if a phone is seen inside the building we will confiscate it. In the first instance we hand the phones back to the students at the end of the same day, providing it is handed over without argument. For a second offence we will not hand the phone back to students but ask parents to come in and collect it. For the third offence we hold the phone for a minimum of one week. We re-set this process at the beginning of every term.

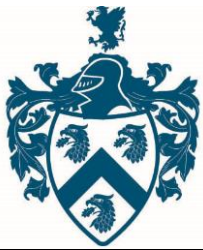

Sadly we have had to confiscate phones from 38 students since September. I will be reminding students of our policy in assemblies this week. Staff are all on board in support of this policy and have been asking them to enforce it fully.

Thank you for your support.

Yours faithfully

T Metcalfe
Deputy Headteacher
