Interim Executive Board and Parent's Open Forum

Dear Parents and Carers,

I am writing to you to inform you of changes in our school's governance arrangements and introduce myself as Chair of the newly established Interim Executive Board (IEB).

The IEB's role is to provide interim expertise and high-quality governance to support the school's leaders' work to improve the school and promote high standards of educational achievement. As such, members of the board have been selected for the wealth of education experience and expertise they can bring. The board was set up by The London Borough of Tower Hamlets (LBTH) in consultation with the Diocese and with approval of the Department of Education (DfE). The IEB came in to existence on 30th October. At the same time the previous governing body was dissolved.

Over the last few weeks we have been getting to know the school, meeting school leaders, staff and pupils. Now we are formally established as a board, we are very keen to meet Parents and Carers. Therefore, we would like to invite you to an **IEB Parent's Open Forum on 28th November from 5.00pm to 6.00 pm.**

At the forum there will be a chance to hear from me as Chair of the IEB; Paul Woods Executive Headteacher and Christine Mcinnes, Divisional Director, Education and Partnership for Tower Hamlets. There will also be a chance for you to ask questions and be introduced to other IEB members.

We really hope you will be able to make the forum. In the meantime, I would like to thank you on behalf of the IEB for the part you have played this term in ensuring that the school is calm and purposeful place for learning.

Kind regards

Paul Woods
