Wednesday 6<sup>th</sup> February, 2019

Dear Parent/Guardian,

## Academic Review and Options Evening

During this year important decisions will be made regarding your daughter/son's choice of GCSE subjects for next year. A structured programme of guidance is in place to assist students with their option choices and we would encourage parents to be actively involved.

An Academic Review and Options Evening will be held on **Tuesday 26th February** and you are invited to attend between 4.30-6.30 pm. You will have the opportunity to discuss your child's progress and also raise issues with regard to the Year 9 option choices with subject teachers.

All the students' efforts this term and next should be focused on gathering as much information as possible. Please discuss options freely with your child and encourage them to find out as much as possible. As a parent you will have the chance to ask any questions you may have during the evening.

Following this event, the Option form must be completed, signed and returned to the form tutor. The deadline for this is **Friday 8th March 2019**.

Please note that two dates were initially proposed on the school calendar for both a Parents' Evening and an Options Evening. These evenings are now merged to form an Academic Review and Options Evening on 26th February. Therefore, please note that Thursday 14th February is no longer programmed for a separate Parents' Evening.

We look forward to seeing you at the Academic Review and Options Evening.

Yours sincerely,

Mr Childs  
Assistant Headteacher
